# **A Note From Our Pool Facilities Director, William Booth & Building & Grounds Director, Mike Viano**

Welcome to Forest Park's 2017 swim season! We have lots to do around the pool to get ready for the upcoming season; and we need your help! There will be plenty of opportunities to complete your work obligation hours including Pool Opening Clean Up Day, various clean up days scheduled throughout the season and special projects to be announced at a later date. Once our dates are finalized, we will send out emails updating all our members.

We would love to know if you have any special skills, electrical, carpentry, plumbing ect. as we could definitely use your skills around the pool. If you have a work project that you would like to see done, please contact a Board member to discuss with them.

Every contribution helps keep the facility running smoothly and safely.

Send an email to [forestparkpool@gmail.com](mailto:forestparkpool@gmail.com) for more info or to sign up for special projects or work days.

Every contribution helps keep the facility running smoothly and safely.

Some ideas for work party duties:

- Sweep the deck, especially under the lanai, by the baby pool or over by the garden wall. This helps keep debris out of the pool.
- Weed the Garden- front, back and garden
- Make a dump run- We often have debris that needs to be taken to the dump. Forest Park will pay the dump fee. We just need labor to get it moved.
- Mow the Lawns
- Paint- we will buy/provide the paint. The buildings often need to be refreshed.
- Repairs to facility or equipment
