

FOREST PARK 2020 SPRING CLINICS

We are pleased to be able to offer spring stroke clinics at Forest Park Swim Club again! We offer options of 2, 3 or 4 days a week, **Monday** through **Thursday**. The first day of clinics is March 2nd; they run for **5** consecutive weeks. Last day of clinics is April 2nd. Prices have been adjusted to reflect an extra week this year.

Swimmers need to regain feel for the water after being out for several months. Our focus is strictly on technique. 1 week spent on each stroke; starts/turns mixed in.

The goal of our clinics is to get experienced swimmers ready for the season, and for getting new swimmers ready to join the team. We are NOT a learn-to-swim program.

In order to provide the swimmers with a small swimmer-to-coach ratio, we limit the total number of swimmers. Due to coach availability, Wednesday sessions have a lower maximum. Please be aware, we may need to reschedule the final day Thursday 4/2. Payment is due **in full** by March 4. See payment info below.

Participants must be in good standing with the pool/team. Unpaid balances from 2019 must be brought current.

Spring Clinic Rules

- Parents please refrain from interrupting the coaches or the swimmers during clinics. The swimmers need to be allowed to swim and the coaches need to be allowed to coach.
- Please pick up after yourselves. Our pool is not open for general use during this time of the year. The more mess is left, the more the coaches have to clean up!
- If other, non-swimming children are present during their siblings' clinic, please monitor them closely. We have a large grass area to play in but the coaches cannot be responsible for what goes on there.
- The baby pool is off limits.
- Absolutely NO running on deck.
- NO horseplay in or out of the pool is allowed.

•Do not enter the water until your coach is ready for you. When your clinic is over, please get out of the water immediately.

•Our coaches are on very tight time schedules. They need to leave as soon as the clinics are over for the day. Please do not be late in picking up your child. If you must leave your child there during his/her clinic, please arrive promptly when it is over to pick them up. Since the coaches are often in the water with our clinics, we cannot be responsible for swimmers who are out of the water unsupervised.

•If you wish to speak with one of the coaches, please do so before or after your group. The coaches need to be able to run their groups free of distraction.
