

A Note From Our Pavilion Work Party Coordinator

Geraldine Alano

As part of your three membership work shift requirements, consider volunteering to work concessions and merchandise sales for **concerts at the Concord Pavilion**.

You would be able to enjoy a concert while fulfilling your work party commitment! We will be serving food and drinks or selling merchandise to concert goers. **Please email** Geraldine Alano at geraldinealano@yahoo.com **if you are interested**.

Requirements to participate are:

1. **Three Aramark forms are required to be completed.**
2. **Complete the online food handler's certification online.**
3. **Sign up for shifts for the concerts you would like to attend.**

1. Aramark has a deadline for volunteer acknowledgement forms and background investigation disclosure that is due in April. For your convenience, I have made copies and provided the forms in the Pavilion folder in the pool drawer. In the event of emergency, please have your own wingman as backup. Concord Sleep Train Pavilion will Check ID this season.

There are three (3) stapled forms per volunteer and they are in the pool cabinet under PAVILION tab. Once signed and completed, please leave them in ALANO folder at the team cabinet. They are pretty self-explanatory and please note: they are NOT asking for social security or driver's license, they are doing a basic criminal and background history to scrub names and check for sex offenders.

2. Take the CA food handlers certification online at www.cafoodhandlers.com. The pool board will gladly reimburse the \$10 fee. It is quick, easy and you are guaranteed to pass. Please print the certificate and leave at Alano folder at the pool. Mary, of Aramark, needs it by your first concert volunteer date.
